PETITION

This is a Petition for Suspension of Rules under 37 CFR 1.183 for the purpose of correcting erroneous Assignment Information appearing on the printed patent, US Patent No. 7,244,890.

Statement of Facts

1. US Patent No. 7,244,890 to Aisenbrey was issued by the United States Patent and Trademark Office on July 17, 2007.
2. The assignment information on the printed patent is not correct.
3. The assignee should have been listed as Integral Technologies, Inc., of Bellingham, Washington. An assignment of the patent application to Integral Technologies, Inc., was duly recorded at the United States Patent and Trademark Office on March 26, 2004. The assignment is recorded at Reel/Frame 015163/0389 of the assignment database.
4. However, due to applicant's error, the assignee's name and address was omitted from the Issue Fee Transmittal (form PTOL-85). The error was made inadvertently and with no intent to deceive.

5. This error was discovered by the assignee in the past month.

Request for Relief

The assignee respectfully requests that the printed patent be corrected to include the assignee's name and address as follows:

Integral Technologies, Inc.
805 West Orchard Drive, Suite 7
Bellingham, WA 98225

The omission of the assignee's name and address was made inadvertently and with no intent to deceive. Assignee timely recorded the assignment of the patent application with the USPTO several years prior to the issuance of the patent. The assignee is suffering a hardship in that the printed patent does not show its position as assignee of the patent at the time of issuance. The assignee has timely acted to request correction of the printed patent, pursuant to 37 CFR 1.183, upon becoming aware of the circumstance. As such, the assignee requests the Commissioner to act to correct this omission.

The required fee of \$400 for this petition is enclosed.

A Certificate of Correction (form PTO SB44) is attached with the required fee of

\$100.

If there are any questions regarding this petition, please do not hesitate to call the undersigned at (989) 895-1592.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Doug R. Schnabel", written in a cursive style.
